Thank you for your precious prayers and offerings. A very short-term mission team was sent to Cambodia from September 12 through 14 with 13 members, one local staff member included. The purpose was to visit the Cornerstone Orphanage Cambodia and cover the online church members there.

At present, The Cornerstone Orphanage Cambodia, an international NGO, supports each child to become self-sustaining in the days to come. Last year it became an online church member of TLCCC Tokyo Antioch Church using live worship service webcast. Orphanage and church activities have been pushed forward ever since. The church covering has changed the children's faith drastically and made them grow.

A baptismal ceremony was held for three children during the evening meeting. It was apparent that they were much blessed by the church covering they had received over the Internet. They sang Japanese original Gospel songs beautifully and prayed earnestly to be able to come to Japan to join the church's Hakuba camp held in July. It was striking to see their lively smiles and growth in faith. In the morning, they went to a just-opened swimming pool with some team members and had great fun. Then they went to a shopping mall for lunch. It became a memorable time for them.

The Age of Revelation is drawing near. With the global diffusion of the Internet, the time has come when ways to evangelize will be greatly changed. Basically, in overseas mission, we actually visit various countries. But time has come when church covering over the Internet can make people's faith grow and increase. Let us obey the Lord thoroughly, visit countries and also use the Internet as a weapon of God to head for the End-Times, the Latter Rain Revival, and the accomplishment of Our Lord Jesus' Great Commission.

2016. 9. 12 ~ 2016. 9. 14

Thank you for your intercessory prayer. This time my wife and I could go to Cambodia, which is overseas by His grace. For me, it was my first experience to go overseas. I give thanks to the Lord from my heart.

In Cambodia, we played in the swimming pool with the children in the morning time on the 13th. I felt God's blessing when I saw a halo all the time while we were playing. After playing in the swimming pool, we had lunch at AEON mall and had nice time with children. Having a holy meeting at night, it was a very blessed day. Water baptism ceremony was held for three children at the night holy meeting. It was impressive to me that 3 children were filled with the Holy Spirit and joy.

In the short message, a message that everything is in God's hands was delivered by Assistant Pastor Maeda from Isaiah 41:10. Also, we were informed that heavy rain for some days stopped on the day the team reached there. I felt God's protection on the day we reached there because it was cloudy and was not as hot

as we expected.

Main message was delivered from Pastor Akimoto from 1 John 5:4. He said, "The key to succeed in our life is to exercise our faith, which believer of Jesus has. We can receive blessings from God, by exercising our faith. To exercise our faith means to pray, seek, repent our sin, give thanks, listen and obey, confess, to be connected to churches and so on. Even if any difficulty will happen in our life, if we give thanks of everything and exercise our faith, we will see the come-back victory and God's works. Everything works for good for us and God gives us the best through our prayer. There is God's timing, which is the best, even if it seems to be too late for us." I felt that it is very important to be connected to the church firmly and keep on seeking from God.

Pastor Paul Akimoto

I was given service of testimony in this dispatch. This was my first time of giving testimony with an interpreter, who was Assistant Pastor Maeda. Actually I am a shy person and

I usually cannot talk calm, forgetting everything in front of many people. So I prayed God. Then God gave me power to talk and was able to finish talking until the end. I know that it was done by God.

At first, I could not communicate with children well, however, I was able to mix with them naturally while I prayed God. I felt that I should learn at least survival level English. In this dispatch, I had difficulties in some situations because of lack of my English ability.

There was a thanks-giving incident in the flight returning to Japan. I noticed in Japan that all my Japanese yen, which was inside my wallet in the check in baggage in the returning flight was gone. I gave thanks of my carelessness to God. As for my wife, it was allowed

that she left her Bible somewhere. Thank you, God.

It was a very blessed dispatch because I could see children's growth in faith and I could learn a lot of important lessons. I would like to ask God for joining in many dispatches from now on. I am grateful that God has given me a lot of blessings.

(TLCCC Tokyo Antioch Church)

Praise the name of the Lord. I really appreciate your intercessory prayers. I joined Cambodia team from September 12th through 14th by God's grace.

God gave me desire to join the team, and I started to pray for confirmation. The reason that I came to have the desire was a gospel song of children of Cambodia orphanage which I listened to through online when Cambodia team

was sent before. When I listened to the song "The Great Love" which they sang in Japanese, I was very moved and thought "I want to go to Cambodia someday. I want to listen to their song and sing with them." When I prayed and asked if joining the team is God's will or not, God gave me a word from the Bible. God gave many confirmations, for example, he showed a sign of rainbow as an answer for my prayer. Furthermore the scripture I received from God was the same part as the devotion part of the second day of the team. So, I could reconfirm that joining the team was God's will.

The team was the first one which was sent since children of Cambodia orphanage came to Japan. One of the purpose was to deepen our relationship. The team was sent in the next stage. The children became online members of

Tokyo Antioch Church and I felt that God's work is progressing by it. We had baptism for three children at the night of the second day. They were listening to message attentively, and they were confessing their faith after the holy meeting.

The team was for three days, and the first day and the third day were moving days. On the second day we went to a swimming pool and went to AEON for lunch and had a holy meeting at the night. The swimming pool was outside, so we were praying for the weather. Cambodia is the rainy season now, and we heard that it had been raining for many days before the team. However, it didn't rain at the day. God completely protected the weather. The wind was blowing and it was cool. So, it was also the best weather for the members who didn't enter the pool.

Also, I worked as a mission staff and I could learn many things. Also, I prayed for my each service and God answered to my prayer. So, I could learn about the grace of prayer again.

In addition, we were praying for the protection from terrorism, Dengue fever, typhoon etc. Before the team God gave me a word through the message of worship service (Isaiah 41:10). It was a great support for me, and God gave me peace from the first to the end. I gave thanks to God. The team was for three days and it was short term, but it was fulfilling and I was really blessed.

“So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.” (Isaiah 41:10)

On the night of Sept. 17, a bombing, a terror attack occurred in the Chelsea, Manhattan, injuring 29 people, one of them seriously. Korean sister S. who is a member of an American Presbyterian Church attends our worship service as well; she told us that she had been prompted by the Holy Spirit to pray two weeks before for safety of the church she belongs to and protection from a possible terror attack since it is located near the subway station. Now that the terror attack actually happened, after the service, we prayed with her that all the churches in NYC, their members, the police,

security-related officials, etc.

We are so thankful that on Oct. 18 a charismatic service will be held in our church, inviting the U.S. team for the first time in about seven months. We got to know that a classroom of the English Academy we rent for Sunday worship service was unavailable on that day. Since we have been praying for a new larger place for worship services that allows us more time, we feel the Lord is leading us to take a step of faith toward it. Anyway, thankfully, we have found a new rental studio in Manhattan for the charismatic service; it is in a very convenient location and is as clean as a local American church uses on Sundays.

Please pray for the coming charismatic service and for the Lord's will to be done completely.

Praise the wonderful name of the Lord! Thank you very much for your intercessory prayers and precious offerings. Even though it's fall it's still hot here in Louisiana.

I saw a documentary movie of an Australian group called Hillsong who are known worldwide. Their album sales are more than 17 million and their worship songs are sung by more than 500,000 people every Sunday. I felt strongly watching that movie that our work at the Lord's Cross Christian Center will grow as big as their work. With a church based foundation their works in praise and worship, me-

dia, film, and concerts were used greatly.

I have been struggling getting used to my new job and pacing myself physically. Please pray for me to get used to the job and be better to balance church work and work.

Also please pray for not just the job but for the people I interact with to be saved. The people I interact with are Japanese and they don't like talking about religion so please pray for me to be able to spread God's word.

<Prayer Requests>

1. For pray, listen, and obey the Lord, and work of God's will
2. For cohabit both work and church work
3. For church member and church worker to be given
4. To be able to stand as a praise team at the

places of His will
5.For the place for worship service
6.For protection from sickness and injuries

■ Hiroko Matsumoto

(TLCCC Sao Paulo / Rio de Janeiro Church)

Praise the name of the Lord! Thank you for your precious intercessory prayers and offerings.

It came the rainy season ahead of the time this year. It's been raining steadily. Also hot day with excess of 36 degrees has been increasing gradually.

Mr. S who has run a Japanese food store in Aracatuba was born in Fukushima Prefecture. Previously he gave us his support for our orphanage in Japan. The other day I visited him to thank him and report that the facility had been completed. He was very happy. Also he is reading our mikoe shibum.

The other day I found the pet shop of Joao's aunt. He grew up in our orphanage. I had met Joao at the supermarket little before. He became an adult and had a job. He had been married recently. She gave me Joao's sister L's address. I visited her with Edna. She had been grown up, but I remembered the innocent old vestiges in her smile that she showed sometimes. We exchanged contacts in WhatsApp that is used frequently in Brazil. I pray that the Lord will guide us in our relationship furthermore.

<Prayer Requests>

1. For my health, protection from danger, the salvation of my family in Japan (especially for the protection from the earthquake, because they live in Kanto area)
2. For the gifts of the Holy Spirit
3. For the work of Internet
4. For the ministry of praise
5. For the ministry in Sao Paulo and Rio de Janeiro

■ Zion Oko Mutale

(TLCCC Zambia Church)

We give thanks to the Lord! We are so thankful for precious intercession prayer and offering.

Currently, our Zambia church has about thirty five(plus 3

staff)street kids living with us. This thing had happened all the sudden and far beyond our plan but we had received them with peace and joy because God had shown me the vision of Noah's ark.

There is always much needs of small things to big things such as food ,clothes and etc that overwhelm us. Sometimes we find ourselves with nothing but we try to stand strong in faith and surrender all to God.Then, God shows us grace that we are able to walk in miracle. All of

street kids had been saved and they are eager to study bible and pray.

We have to find shelter for them and provide education. For elder, provide skill training. Please pray for us for God to fulfill our needs quickly.

<Prayer Requests>

1. for obedience to God
2. for the salvation of the Zambians and foreigners living in Zambia
3. for the land and buildings for TLCCC Zambia in the center of Lusaka, and until it is given, a new church venue and its rent
4. for a PA system and music instruments (keyboards, drums, electric guitars, saxophones, trumpets, etc.)
5. for more work through media (TV, Radio and Newspaper)
6. for the manifestation of the Gifts of the Holy Spirit, especially for more healing to happen
7. for a means of transportation for those who cannot afford bus fares to come to church.

■ Marek & Sally Jaxa-Rozen
(TLCCC Prague Church)

Ahoj! Praise the Lord!

We really appreciate your intercessory prayers and precious offerings for us!

New semester of school has started in

Czech Republic in September. Noemi is now already the 6th grade's student from this year.

As the vacation season in July and August has finished, many people are coming back to their home and going back to their usual busy daily lives.

As the situation of our Prague church has be-

come to be able to begin home group meeting, so we hold the first meeting at our home few days ago. God blessed this meeting so much that we could have enough time for Bible study and prayer and also it was wonderful so that we could have enough time for fellowship to talk about a lot of things with brothers and sisters because we don't have enough time for fellowship at the church on every Sunday. Please pray for us so that we can continue this meeting.

And I went to see the husband of sister M whom I wrote at my last report and who died suddenly last month with sister Y of our Prague church. I felt strong God's guidance from before that I have to meet him to encourage and evangelize him because he is unbeliever, when

I heard that he was deeply mourned sister M's death.

However he is chef and is much older than me. And as I almost have no acquaintance with him, I felt strong pressure to evangelize him. However when I started to talk about God, my mouth had been talking with itself!

As he is a quiet and expressionless man originally, I did not expect good reaction from him. However when I was talking, he began to cry in the middle of my talking. And he listened to my talking about God till the end without rejection. I realized that God was touching him. We could pray for him with sister Y with tears finally. I felt happy to be able to meet him and gave Him thanks for His guidance and help so that I could accomplish God's will. I really ask you to pray with us for him so that God's words will be kept in his spirit and God will lead him to certain salvation! Now, ahoy!

<Prayer Requests>

1. For listening to and obeying God's voice
2. For the opportunity and the action for the evangelization to the right person of God's will
3. For increased attendants for our Sunday service and bringing up the workers and players
4. For the spiritual growth correctly about my friends who have accepted Jesus and for their firm relationship with our church and for the protection from the spirits of slander and criticism
5. For my husband, Marek to find new job from September.
6. For the healing for mother of Marek(backache because of the damage of intervertebral disc)
7. For God open the door of mission with Marek to other cities in Poland and also to other countries.
8. For the relationship of God's will with Pastor L and his church of Russian messianic Jew.
9. For God bless our worship team
10. For the realization of publishing of the book, "Dooms day" in Czech language.
11. For the solution by God about the problem of immigrant in Europe.
12. For the salvation of my family in Japan.
